अंगदान-जीवनदान

Dated: 12.07.2024

Dear ROTTOs/SOTTOs/Transplant Centres,

As you all must be aware that currently recipient registration for HAND transplant (composite tissue) option is not available in "Subject Demography Management" in the National Registry on NOTTO web portal ([www.notto.mohfw.gov.in](http://www.notto.mohfw.gov.in)). Therefore, it has now been decided by the Competent Authority, that all the Hand transplant centres/hospitals should register such patients/recipients requiring hands for transplants, may be registered under the category BONE of tissue section in subject demography management.

This will further help NOTTO in smoothening the national allocation process and data management for Hand transplant of donors and recipients.

This is for your information and compliance, please.

Dr. Anil Kumar

Director, NOTTO
